Authorization for Direct Payment is Required for ALL Registrations

Here's how the Direct Payment Plan works:

You authorize regularly scheduled payments to be made. Your payments will be made automatically each session throughout the class season. Proof of payment will appear on your account. If we have an e-mail address for you, you'll receive an e-mail notification any time a payment is processed. The authority you give to automatically charge your payment information on-file will remain in effect until you notify us in writing to terminate the authorization. If for whatever reason, payments cannot be processed to your payment information on-file and your account balance remains overdue, your enrollment in classes will be cancelled. Notify the office any time your payment information change.

I authorize Cedar Park Dance Company to initiate electronic payments for the balances due on my Cedar Park Dance Company account. I understand that payments will be automatically made throughout the year for any balance due on my account. I understand that the payment amounts may vary as classes are added/dropped and as other charges/payments are applied to my account.
