Please see the schedule online: <http://cedarparkdance.com/recital-2017/>

Dancers need to come in *regular dance clothes*, please no costumes.

- Once you get to the PAC, enter to the auditorium.
- Look for the row of seats labeled with your dancer's class. This is where you will wait until your class is called upon.
- Once your class is finished on stage. The teacher will walk the dancers around backstage to meet you at the drop off point.
- A teacher will walk the parents through drop off procedures and to pick up your dancer.
- At this point you will be able to pick up your wrist bands and your 2 complimentary programs.

Dropping off Dancers:

- Once you get to the PAC, follow the instructions that were provided at technical rehearsal for drop off.
- Only Backstage Volunteers and parents missing their wristbands need to stop at the front table. Everyone else can head to the assigned drop off area. Only the parent wearing the wrist band is allowed to drop off and pick up your dancer. We ask that all other family members wait in main the lobby, auditorium, or outside. Please do not block entry to the drop off & pick up area.
- Backstage Moms are the only adults allowed in the dressing rooms at all times. If you have a dancer in multiple classes, please do not enter and exit the auditorium to change them, as this is very distracting during the show. Please allow the backstage Moms will take care of that.
- Make sure all of your dancer's belongings are labeled with their name.
- Dancers are to stay with backstage moms before, during, and after their performance. And are not to leave until final bows are complete and all dancers have returned to the dressing room. At this time only the parent wearing the wrist band is allowed to pick up their dancer from backstage.

***Absolutely NO TAP SHOES ALLOWED IN THE LOBBY.**
